Gatorade Instant Powder

During the day your body faces 3 problems from heat and physical exertion:

- Loss of water and electrolytes—dehydration
- Elevation of body temperature—hyperthermia
- Depletion of energy reserves—muscle exhaustion

Gatorade is scientifically formulated to help rehydrate your body quickly and HELP IMPROVE PERFORMANCE and productivity. Research done at the University of South Carolina has proven:

- 1) Gatorade is absorbed into the blood stream as fast as water, helping to provide rapid rehydration.
- 2) Gatorade is superior to plain water for improving physical performance during prolonged physical activity.
