

## Headsweats

### KEEP A COOL HEAD!

Headsweats® are a great alternative to the traditional bandana or sweatband. Headsweats® has perfected perspiration technology so you will stay cool when wearing their head coverings. They offer many different styles, colors and patterns to fit anyone's lifestyle.

#### Classic

The classic head covering is great looking and has a super absorbent terry cloth band to keep sweat out of your eyes and off your face. 100% cotton. Available in black (8800-102), peppers (8800-1011), flag (8800-1010) and red bandana (8800-1014).

Part No. 8800-102

Part No. 8800-1014

Part No. 8800-1010

Part No. 8800-1011

#### Classic with Coolmax

These coverings have the same look as the classic but have the added feature of a Coolmax layer in place of the traditional terry cloth. Dupont Coolmax is a revolutionary fabric engineered so that the fibers feel cool and dry against your skin not matter what the conditions.

Available in black (8800-202) and red/white/blue (8800-208)

Part No. 8800-202

Part No. 8800-208

#### Skullcap

100% Coolmax - the revolutionary fabric by Dupont that feels cool and dry next to your skin in any condition. The Skullcap is light, works in hot temperatures with evaporation to keep you cool and can be pulled down over ears on cold days.

Available in black (8804-202)

Part No. 8804-202

#### TriTech Winter Skullcap

Our TriTech Winter Skullcap is a unique cold-weather head covering. Three-ply CoolMax® earband...super wicking helps keep you from over heating...great under a helmet .It has an ultrastretch polar microfleece, a fast-wicking inner surface and an antimicrobial surface; all the components together make this an abrasion and wind resistant, warm head covering.

Available in black (8803-202)

Part No. 8803-202

#### MidCap

The midcap is longer than the traditional skullcap to keep you warmer on those colder days, but is equipped with a Coolmax sweatband to provide super wicking so you don't overheat.

Available in black (8806-202)

Part No. 8806-202

#### Topless Sweatband

This is the ultimate sweatband. Two layers of textured CoolMax fabric and an inner layer of super wicking Coolmax Terry keeps you cool and dry.

Available in black (8801-202)

Part No. 8801-202
