

Hand Cleaner

Joe's creamy formula liquifies and gently lifts grease, grime and stains from the hands safely and without water. Joe's leaves the hands cleaned, conditioned and without the greasy feeling and strong odor of competitive brands. The lanolin and skin care emollients help rough, dry and overused hands. Joe's is your hands' best friend.

Hand Scrub

When Kleen Products decided to create Hand Scrub, the first consideration was to maintain the high level of quality expected from Joe's Products. The polyethylene scrubber is round and smooth, unlike jagged edges of pumice or sand. Subsequently, the scrubbing process is a safer, more gentle method. Treat your hands to Joe's Hand Scrub.
