

300 Series Heavy-Duty Outfits

Designed for heavy-duty welding and cutting applications. The MetalCraft 300 Series outfits provide heavy-duty performance in industrial and construction environments. This kit contains the basic components for general welding and cutting.

- Heavy-duty apparatus
- Capacity: Cut up to 8" and weld up to 3" with proper tips
- Attractive display box
- Contents: WH-36FC handle, CA-35 cutting attachment, 300 series oxygen and acetylene regulators, 0-1-101 cutting tip, and O-W welding tip
- CGA 300 and 510 models
- Deluxe models include 25' x 1/4" hose, goggles and striker
- Standard models available
- Made in the U.S.A.
- Two year warranty

Part No.	Model No.	CGA	Type
0384-0770	300-510-DLX	510	Deluxe
0384-0771	300-510-STD	510	Standard
0384-0774	300-300-DLX	300	Deluxe
0384-0775	300-300-STD	300	Standard

200 Series Medium-Duty Outfits

MetalCraft 200 Series outfits are designed to meet your medium-duty welding and cutting applications in industry, home and trade environments. These kits contain the basic components needed for general welding and cutting.

- Medium duty apparatus
- Capacity: Cut up to 5" and weld up to 1-1/4" with proper tips
- Attractive display box
- Contents: WH-26FC Handle, CA-25 cutting attachment, 200 series Oxygen and Acetylene regulators, 0-3-101 Cutting tip, and O-W-1 welding tip
- CGA 300, 510 & 510WQ models
- Deluxe models include 20' x 3/16" hose, goggles and striker
- Standard models available
- Made in the U.S.A.
- Two year warranty

Part No.	Model No.	CGA	Type
0384-0720	200-510-DLX	510	Deluxe
0384-0721	200-510-STD	510	Standard

0384-0725	200-300-STD	300	Standard
0384-0723	200-510WQ-DLX	510WQ	Deluxe
0384-0722	200-510WQ-STD	510WQ	Standard

100 Series Light-Duty Outfits

The 100 Series outfit is designed to meet home and shop welding and cutting requirements for light-duty applications. This kit contains basic apparatus for light-duty applications.

- Light duty apparatus
- Capacity: Cut up to 4" and weld up to 1" with proper tips
- Attractive display box
- Contents: WH-26FC Handle, CA-25 Cutting Attachment, 100 Series Oxygen and Acetylene Regulators, 0-3-101 Cutting Tip, and O-W-1 Welding Tip
- CGA 300 and 510 models
- Deluxe models include 12-1/2' x 3/16" hose, goggles and striker
- Standard models available
- Made in the U.S.A.
- Two year warranty

Part No.	Model No.	CGA	Type
0384-0700	100-510-DLX	510	Deluxe
0384-0701	100-510-STD	510	Standard
0384-0702	100-300-DLX	300	Deluxe
0384-0703	100-300-STD	300	Standard

MetalCraft Cutting Equipment & Tips

CA-35 & CA-25 Series Cutting Attachments

- Heavy and Medium/Light duty apparatus
- Capacity:
CA-35 Cut to 6" with proper tip.
CA-25 Cut to 5" with proper tip.
- 90° Head
- Ease-on cutting oxygen valve
- For use with Acetylene, Propane, Butane, Liquid Air, Fuel Gas, MAPP®, Natural Gas (2 PSIG or above), Propylene, and Hydrogen
- Made in the U.S.A.
- Two year warranty

Part No. 0381-0423

Part No. 0381-0424

Part No.	Model No.	Weight	Length	Tips	Cuts	Use With
0381-0423	CA-35	32 oz.	10-1/2"	Series 1	6"	WH-350
0381-0424	CA-25/250	13 oz.	8"	Series 3	5"	WH-250

WH-36FC & WH-26FC Series Torch Handles

- Heavy & Medium/Light duty apparatus
- 9/16"-18 connections
- Built-in Check Valves
- Tube within a tube design
- Three (3) piece "Y" assembly with threaded connections
- Capacity:
WH-36FC weld to 3" with proper nozzle
WH-25FC weld to 1-1/4" with proper tip
- Made in the U.S.A.
- Two year warranty

Hand Cutting Torches

- 9/16"-18 connections
- Built-in Check Valves
- Cuts from 1/8" to 6"
- Uses Series 1 Cutting Tips
- 17"-48" overall lengths
- Made in the U.S.A.
- Two year warranty

MetalCraft Pressure Regulators

300 Series Pressure Regulators

- Single stage design
- Construction & farm uses
- Forged brass body & housing cap
- 2-1/2" gauges
- Stem type seat mechanism
- Sintered inlet filter
- Built-in relief valve (oxygen regulators only)
- Maximum inlet: 3000 PSIG
- Fabric reinforced neoprene diaphragm
- Dimensions: 7-1/2" W x 6" H x 5" D
- Weight 3 lbs., 11 oz.
- Two year warranty

Part No.	Model No.	Gas Service CGA	PSIG Delivery

MetalCraft Flowmeter & Flowgauge Regulators

Flowmeter Regulators

- Piston style design
- 25 or 80 PSIG models
- 10-50 CFH or 10-38 CFH models
- 5/8"-18 RH(F) outlet
- Economical flow measurement
- Machined brass body
- Teflon seat
- Argon, CO₂ and Argon/Mix models
- Optional MIG kit available with 10' hose
- Dual flowmeter model available
- Two year warranty
